

CELEBRATION OF LIFE

Memorials, Wakes & Celebrations of Life

The Red Lion is here to help you celebrate all important occasions and to offer a sympathetic service during difficult times.

Planning the funeral of a loved one can be difficult, particularly if their passing was sudden. We will help you plan the event from start to finish, providing support for you and your family during this emotional time.

You can choose between our two function rooms to ensure you provide the perfect space to gather and hold a dedicated service in remembrance and celebration of loved ones.

- Our small Function Room can accommodate up to 50 mourners or 32 seated (with private bar and access to outside)
- Large function room has a capacity for 120 standing mourners or 65 seated (with private access to outside garden, stage with 100" projector available to display photos and flowers)
- Large range of food and drink options
- Car parking for 40 spaces
- Disabled access

We will ensure all theme, layout and catering requirements are provided to the highest standard. All of our functions and parties are tailor made to meet your individual requirements through close consultation with our manager and chef.

We are located only a mile from Eastbourne Crematorium, 15 mins drive from Wealden Crematorium and across the road from The Parish church of St Luke.
